NATIONAL NEWSPAPER WEEK OCT. 1-8 'Your Newspaper Serves'

HERE'S the POINT!

By SPENCE HELD

When I was a young reporter I used to drive around town at night in a car equipped with a short-wave radio and chase the fire engines . . . This was strictly for fun as I worked for an afternoon paper and was through before 5 p.m.

Well, we had some pretty good fires in S.D. during the 1930's but I slept through the biggest one—the million-dollar Whitney fire which swept a downtown business block . . . Next day, however, I covered the ashes with some of my best adjectives.

* * *

Last Friday afternoon I saw that smoke from my lookout tower atop Point Loma and wondered what was cooking in S.D.

The Tribune got out an extra with a brief bulletin but the story broke for the Union . . . Ed Thomas, Union city editor, did a good job of coordinating the work of his reporters and photographers in covering the first five-alarm fire in the city's history.

* * *

Sunday afternoon I covered the ashes from Maryland Place, a point of land which juts out into the fire-swept canyon.

This was where Al Penrose, acting fire chief, used a garden hose to protect the home of Mrs. Shelley Higgins, widow of the late city attorney . . . The paint on her house was blistered.

(When I was a kid we had a tent on Maryland Place and played cowboy and Indian in the brush-covered canyon below.)

Ice plant had protected several houses from the roaring wind-driven flames sweeping up the canyon . . . I've never seen a canyon so thoroughly scoured by fire.

When Roger Sneed snared a pass from Roger Soares to score the winning touchdown against Grossmont Friday night, several thousand Point Lomans erupted with a roar that rocked Aztec Bowl.

They whooped and hollered and danced and pranced; they slapped each other on the back and bayed at the moon, if any.

Me, I haven't had so much fun since Point Loma rolled over Hoover, 26-0, in 1955.

Grossmont, with Jarrin' Jim Buckner ripping the Loman line, led 7-6 at the half and 14-6 at the three-quarters. Then, near the end, it was Grossmont 14, Point Loma 12—but the local boys came through to score their 19-14 triumph.

Amid the general jubilation I noted the presence of such worthies as Bill Emerson, Don Giddings, Athos Sada, Dave Reed and Bud Overby.

Yeaaa, Point Loma!

TRIP TO DISNEYLAND

A group of 12 adults and six children, comprising employees of Bob Horn Television and their families, will spend Sunday at Disneyland. They will leave by bus at 9 a.m. and remain at Disneyland until 6 p.m. "Bob is treating us to the trip" said an employee, "He's taking care of all expenses."

Calif. Western Football Team Makes Debut Against Oceanside

Football Coach Al Lewis of California Western University has named four returning lettermen in his starting lineup for the Westerner's first home game of the season, Saturday at 2 p.m. on Point Loma High field against Oceanside Junior College.

The balance of the starting eleven will be made-up of freshmen players, he said.

The Cal Western team will employ both split-T and spread-T offense, Lewis indicated, in an atempt to utilize their speed and lightness to best advantage. A squad of 20 players, most of whom are inexperienced, has been working out daily.

"Our first game with Oceanside will be a real test," Lewis said. "We're very green and not very big, but the boys have a fresh spirit and a lot of fight. We'll be lucky to win, but we'll make a good showing."

Oceanside Junior College has played two games so far, while the Saturday fray marks the first game of the season for the Westerners.

Lewis named the following as starters: Pat Briggs and Dick Smith, ends; Al Schnoeblen and Gene Corbin, tackles; Ed Burroughs and Bob Northington, guards; Lester Bible, center; Bob Jones and Doug Davis, halfbacks; Bill Coughey, fullback, and John Ricketts, quarterback.

The returning lettermen are Schnoeblen, Burroughs, Northington and Ricketts.

CWU Enrollment Now Totals 612

Enrollment at California Western University, with campuses at 3902 Lomaland Dr. on Point Loma and at 1729 Fifth Ave. in downtown San Diego, has more than doubled that of last year, Dr. William C. Rust, president, announced.

"Several courses," Rust said, "both in the business and fine arts sections, have not begun as yet. Late registrations are continuing also, yet our total today is twice that of last year. When stabilized, we probably will maintain a total student body of 675."

As of close of school Friday, enrollment at the Point Loma campus had reached 293 students. The Cal Western downtown School of Business had enrolled 319 students through Friday, Rust reported. The total of 612 compares with the approximately 300 enrolled last year.

Women Voters To Meet Here

The two Pt. Loma units of the San Diego League of Women Voters will consider the recent study made by the Bi-partisan Commission on Governmant Security when they meet next week. Their discussions will be the concluding ones in a two-year study of Federal loyalty and security programs.

Pt. Loma day unit will meet Tues., Oct. 8, at 9:30 a.m. in the home of Mrs. John Atwood, 4604 Newport Ave. Members of the evening unit will gather Wed., Oct. 9, at 7:30 p.m. in the Council of Churches Bldg., 3901 Lomaland Dr. Interested women are invited to attend either meeting.

Church Bazaar

A bazaar will be held by the St. Agnes Catholic Church, Saturday and Sunday, Oct. 12 and 13, at 6:30 p.m. at the SES Hall, foot of Addison St. in Point Loma.

A ham dinner will be served Sunday, Oct. 13, at 7 p.m. Donations are $1.25 for adults, 75 cents for children. Prizes will be given away. Raul Fernandes is general chairman.

'Betty-Lou' Lands 314 Yellowtail To Break Record

Yellowtail fishing at the Coronado Islands continued at a record pace this week as deep sea anglers boated more than 10,000 to run the season's total to the 160,000 level.

Anglers aboard the Betty-Lou brought in 314 yellowtail Sunday—a new modern single-boat record here for one trip. Previously, the Betty-Lou tied the record of 292.

Largest yellow taken during the seven-day period was a 26 pound 8 ouncer brought to gaff by Fred Taylor, Norwalk, but it was closely pressed by a 26-4 bagged by R. E. Vinton, Colton, and a 26-2 taken by C. M. Murray, Long Beach.

Among anglers from the Point Loma-Ocean Beach area who limited out on yellows were: Jack Anderson, Fred Bode, Dr. A. C. Funk and Skipper Penrose.

Largest game fish of the week was a 196 pound black sea bass bagged by Lee Carter, Pasadena, but a 28 pound 8 ounce bluefin tuna caught by Morry Grensted, Alhambra, also grabbed some of the spotlight.

Third Salk Shot Said Essential

More than 100,000 persons through San Diego County are now ready or will soon be ready for their third Salk vaccine inoculation against paralytic poliomyelitis.

Dr. J. B. Askew, director of the San Diego Department of Public Health, said yesterday the third injection of the vaccine should be given seven months after the second injection.

He pointed out that all persons who received their second injection during the early part of the public immunization program this year are now ready for their third injection. He said they should see their family doctor.

The third inoculation of Salk vaccine is absolutely essential, Dr. Askew added, for the fullest possible protection against the crippling effects of poliomyelitis. The first injection is only about 60 per cent effective, he said, and the second injection raises that effectiveness to about 85 per cent.

"The series of inoculations is not considered complete, however, without the third injection," Dr. Askew said.

Loma Portal PTA Schedules Annual Dinner Meeting

First Loma Portal Parent Teacher Association meeting of the year will be the annual dinner meeting Tuesday, Oct. 8 at 6:30 p.m. in the school cafeteria.

Mrs. William T. Kearns, president, and Miss Sydnie M. Higgins, principal, plan a special welcome to honor new parents of Loma Portal. The dinner is being planned by Mrs. Robert Breitbard, social chairman, who said that reservations may be made in the school office.

The invocation will be given by Father Robert Nagler of St. Charles Borromeo Catholic Church.

Following dinner the meeting will be held at 8 p.m. Mrs. Virgil Schneider, former undercover agent for the FBI, will speak on "Undercover Action." It is hoped that many who are unable to come to the dinner will be able to attend the meeting and program.

The Loma Portal Junior Traffic Patrol under the direction of Officer D. Runnells will serve as color guard for the meeting. The boys taking part will be Lt. Bob Cheverton and Sgts. Jimmy Carl, John Gelb, Mike Niederman and Robert Raines.

'MUSICANA'

"Musicana," an annual event sponsored by the Musical Merit Foundation, will be held Friday, Oct. 11, at 8 p.m. at the House of Hospitality in Balboa Park.

Proceeds will be used for the scholarship fund. Mrs. Frank Levin, general chairman, will be assisted by Mrs. Oscar Knauer. Dr. Earl Rosenberg is in charge of entertainment.

Customers may register for valuable prizes to be awarded later.

Clouse's offers free pickup and delivery service, it was announced.

Point Loma PTA Seeks Members

PTA membership drive for Point Loma High School will be launched Monday, Oct. 7.

Mrs. Harold C. Smith and Mrs. Robert Higgins, chairmen, announced a "nautical" theme for the 1957-58 season. With about 1700 students enrolled at PLHS, they have set a goal of "800 able-bodied seamen for active duty aboard Point Loma PTA."

PLHS To Encounter La Jolla Here Fri.

Point Loma High School's football team will tangle with the La Jolla High Vikings in the Homecoming game Friday at 2:45 p.m. at the local field.

"Hong Kong Holiday" is the theme for the Homecoming celebration, and this will be carried out in pageantry at the game. A Homecoming queen will be crowned.

Alumni also are invited to the dance in the Girls' Gym from 8 to 11 p.m. They are asked to phone Mrs. Jean Wood, girls' vice-principal, for reservations. (AC-3-3121.)

Point Loma defeated Grossmont, 19-14, in a spectacular game at Aztec Bowl last Friday night.

Jim Buckner put the Foothillers ahead in the second quarter with a two-yard touchdown plunge through the line and then ran over again for the extra point.

Point Loma bounced back when Roger Soares threw a short pass to Bill Bradford and the big fullback went all the way, cutting and powering for 50 yards and a TD. The try-for-point failed and Grossmont led 7-6 at the half.

In the third period Buckner again scored for the Foothillers on a line plunge and again ran it over for the extra point. Grossmont 14, Point Loma 6.

The Pointers were not impressed. Quarterback Soares and halfback Doug Minton, operating behind good blocking, were outstanding in a march that reached the Grossmont 19-yard line as the third period ended.

After a couple of gainers Soares sped around his right end for a touchdown. The extra point was not forthcoming and Grossmont still led, 14-12.

But this was Point Loma's night to howl. A pass from Soares to John Rebelo placed the ball on Grossmont's 13-yard line. Ted Faris carried to the four. Soares then threw to Roger Sneed for the winning touchdown and the Point Loma rooting section exploded.

Somebody kicked the extra point—but this time nobody cared.

Some of the defensive stalwarts for Point Loma were Joe Varley, Jim Shepherdson, Sparky Bishop, Manuel Rebelo, Chuck Klein and George Cheatham.

Nichols Heads Demo Fund Drive On Point Loma

Charles Nichols of 2904 Byron has been appointed Point Loma chairman of the 1957 Dollars-for-Democrats Drive, according to G. K. Williams, Democratic county chairman.

Friday and Saturday, Oct. 11-12, have been set aside for the nation-wide Democratic doorbell ringing through which it is hoped to get millions of Democrats to "come to the aid of their," to the tune of at least a dollar or two.

"The idea behind this drive, which was successfully inaugurated last year," said Williams, "is to have the party's funds come from the grass roots thus avoiding the strings that may be attached to large contributions from sources of great wealth."

Ira Koidan, president of the Point Loma Democratic Club, said that Nichols has appointed Frank Hughes, Dick Brown and Eugene Page as group leaders covering the 49 precincts which comprise Point Loma.

"Because of a late start last year, it was discovered that many who wished to make contributions were not called upon," said Koidan. He hopes to avoid such a happenstance this year ,and invites a telephone call (AC-3-1721) from all loyal Democrats in the area who can spare two or three hours on or about the dates of the drive. Identification badges and materials, kits which will make the work easy, will be furnished.

SILVER GATE PTA

"Excellent!" "Outstanding!" "I feel I know my child's teacher so much better!" "A wonderful way to start the school year!"

Such were the comments following Silver Gate's first PTA meeting of the season last week, when teachers introduced themselves to parents in their separate classrooms and described their class programs and goals for the coming year. Parents even had an opportunity to look through some new textbooks before the children received them this week.

At first, there was some question how to assemble all parents for a general meeting and instructions and allow those with more than one child to visit each teacher, but this was solved quite satisfactorily by means of three half-hour shifts: Kindergarten and First Grade, Second and Third Grades, and Fourth, Fifth and Sixth Grades; and parents and teachers alike felt it was an evening well spent.

Spearfishing Meet Sunday

A spearfishing meet sponsored by the S. D. Council of Diving Clubs will be held Sunday, Oct. 6 from 9 a.m. to 2 p.m. at Casa de Manana Cove, La Jolla, it was announced.

"Safety precautions will be observed," it was said. "Doctors' fitness reports and parents' consent are needed for the Junior Division (under 16).

Individual prizes will be awarded in the Junior and Senior Divisions.

MISSION WEEK—The Rev. Robert F. Zitlau, left, pastor of Bethany Lutheran Church, and the Rev. Vlad P. Benko, of St. Peter's-by-the-Sea display a poster calling attention to the all-Lutheran evangelical mission during the second week in October.

Lutherans Plan Evangelism Here

Preparations for the all-Lutheran evangelical mission during the second week of October, are being made at St. Peter's by-the-Sea and Bethany Lutheran churches under the direction of their pastors. The miniters will welcome guest missioners into their pulpits on Sunday morning, Oct. 13 to lead the members in evangelism.

Dr. John Mehnert, St. Peter's prayer chairman, explained to the congregation the meaning of the 24-hour prayer vigil to be held in the chapel on Saturday, Oct. 5. The chapel choir under the direction of Mrs. Connie Brazell, and the junior choir, Mrs. Howard Passel, director, will sing every evening during the mission.

The choirs will join a combined Lutheran chorus, led by Dr. Morrow Stough, for rallies on October 13 and 18 at Our Savior's Lutheran Church, Ohio and Lincoln Aves. Church committee plans include evangelical calls on neighbors and friends by members of the congregation.

At Bethany, visiting team classes will view a film on Monday, Oct. 30, entitled "Missionary To Walker's Garage," in preparation for their visitations. Bethany Ladies' Aid made a religious survey of the immediate neighborhood.

Pastors Benko and Zitlau will take active part in the evangelical effort by attending daily prayer and discussion meetings at pastoral rallies.

Winter Baseball Tryouts Saturday

The Junior National Winter Baseball League has been organized to provide boys with an opportunity to pursue the sport during the winter months.

The league will schedule games on Saturday afternoons only. Boys who will be 15 on or before July 31, 1958, and boys who will not be older than 16 on or before Aug. 1, 1958 are eligible to try out.

Two teams from the Point Loma-Ocean Beach area will be entered in league competition. They will hold registration and tryouts Saturday, Oct. 5 at 1:30 p.m. It will be necessary for boys to bring one or both of their parents to registration in order that contract and insurance forms can be completed. Boys will be required to pay a $2 insurance fee.

Location of tryouts and further details may be obtained by calling Dick Robbins AC-2-9547; Mike Edwards AC-3-3392, Paul Vance AC-2-1971, or Len Cardoza AC-2-2710.

Local Writer's Novel Published

"Marni," Louise Hampton Rydberg's first novel, currently featured in the bookshops, is a story of junior college life. Published by Longmans Green, decorations by Vera Bock, it has 181 pages and sells for $2.75.

Her true insight and great understanding of what goes on in the lives, minds and hearts of young college students—their joys and heartbreaks, successes and failures, produce reader participation to the nth degree.

Louisa Rydberg was born in Long Beach, spent her early days in Victor, Colo., and later moved to Santa Ana. She graduated from University of California in Los Angeles, where she was affiliated with Zeta Tau Alpha, taught school for two years, then married Ernest E. Rydberg, also a writer. They have a grown daughter, Sonya, and make their home in Ocean Beach.

She is past president of National League of American Pen Women, Ocean Beach Branch. —Daisy Munchiando.

Small companies or independent operators owned and financed more than 78 per cent of all oil wells completed last year in the United States, according to the National Automobile Club.

More than 96 per cent of the vehicles involved in fatal accidents on United States highways in 1956 were in apparently good condition, according to the National Automobile Club.

Schools To Note Fire Prevention Week Oct. 6-12

Extensive plans have been made for the observance of Fire Prevention Week, Oct. 6-12, in all city schools, it has been announced by Quinck A. Wemple, coordinator of thrift and conservation education.

In cooperation with the San Diego Chamber of Commerce, each school has been provided with large posters for use in hall displays and with a sufficient number of smaller posters for each classroom. In addition, teachers will devote time in their classes for a discussion of fire prevention, using special booklets provided for this purpose.

Wemble announced that all school employees are being asked to take part in a clean-up campaign to eliminate fire hazards, through publicity in newsletters published by various employee associations. Materials have also been furnished for discussion at P-TA meetings.

Wemple and James Blethen, operations supervisor for the city schools, are members of the Fire Prevention Committee of the Chamber of Commerce.

Motor vehicle manufacturing employed 800,000 workers in the United States during 1956, reports the National Automobile Club. This represented a drop of 96,500 from the 1955 level.

Never race with the traffic lights at busy intersections, advises the National Automobile Club.

HOMECOMING—Ocean Beach Baptist Church will observe Homecoming Day Sunday, and pictured here are some of the participants. Left to right are Mrs. Walter S. Dunn, Rev. P. O. Jenson, Rev. William L. Bolton and Rev. Allen Newman.

Homecoming Set By O. B. Baptist

On Sunday, Oct. 6, the Ocean Beach Baptist Church, Sunset Cliffs and Santa Monica, will observe Homecoming Day.

Two charter members, Mrs. Lena Burdette and Miss Margaret Rankin, will be honored. A former pastor, Rev. P. O. Jenson, will attend, and Mrs. Walter S. Dunn, wife of a former pastor, will be another honored guest.

At the 8:30 a.m. church service, Rev. Louis P. Valentine, 90, will bring the message. Rev. Valentine came to California in 1914 "because he felt called by the Southern California Baptist Convention. After three years he was sent to San Diego to see what could be done about the Ocean Beach and Scott Memorial Baptist Churches. He became a full-time pastor for Scott Memorial and served five years and three months there. During that time, he helped to get the Ocean Beach Baptist Church on its feet."

At the 11:00 a.m. Church Service Oct. 6, Rev. William L. Bolton, former pastor, will bring the message. Following the service there will be a potluck dinner in the Fellowship Hall at 1 p.m. Art work by present and former members of the church will be exhibited in the church.

At 7:30 p.m. the Rev. Allen Newman, present pastor, will give the evening message. Special music will feature former members. The Lord's Supper will be observed following the service.

PONY LEAGUE

Plans for a winter program of baseball for Pony League age boys also will be discussed.

Ringling Circus In S. D. Oct. 10

"The Greatest Show on Earth."

That title is synonymous with the Ringling Bros. and Barnum & Bailey circus which will begin a four-day and night run at Lane Field, starting Oct. 10.

In keeping with the industrial age, the greatest show will produce some new innovations.

With the new 1957 season has come the prefabricated rigging supports which hold aloft the miles of steel rope and cable, trapeze and aerial rigging, traps and other paraphernalia on which a great share of the circus stars perform high above the ground.

Also in keeping with the streamlining, the old tents have been removed. But none of the excitement and color has disappeared.

Almost a year's hard work went into the songs, lyrics and orchestrations for the 1957 edition. Included in the show will be four new spectators just for the kids.

These include "The Coronation of Mother Goose," "Cherry Blossom Time," "Saratoga Racing Ball of 1913," and "Carnival in Venezuela."

Besides these will be the regular aerial acts, tumbling, tight-wire entertainers, many animals (including 200 tons of elephants) and fun-loving clowns.
